The JCC's award-winning Preschool is a play-based, nurturing place for early childhood education. Each day includes group activities, music, art, and team projects as well as individual, creative exploration. The Preschool, located in North Berkeley, is culturally Jewish, celebrating Jewish values, traditions, weekly Shabbat, and holidays throughout the year. We proudly welcome families and children from all backgrounds and from throughout the East Bay.

The JCC's teachers are highly qualified ECE specialists with CPR/First Aid certification, experience, patience, creativity and great love for each child and family. The preschool also provides a strong connection to community, connecting parents to each other and to other cultural, social, and educational opportunities.
