Philosophy: KLA uses a dynamic, child-led, developmentally-appropriate program that follows the Reggio Emilia approach to learning. We see each child as a competent, capable, powerful, and creative individual. Our educators believe the play children engage in has meaning. Play is a tool children use to make sense of and explore their world. It is through play that children test their ideas, solve problems, and find joy in their experiences.
 Admission: All parent meetings and tours are currently taking place over Zoom

Registration Fee: \$600 (non-refundable)

Due to COVID-19 health and safety practices, we kindly ask parents to drop off and pick up at the front door. There are special events parents may register to participate in outside of the school building (such as playground visits).. Children and staff undergo health checks each day before entering the building and temperatures are taken throughout the day. We follow a strict illness policy.
