(925) 334-7099 opt 4

Philosophy: Our program's operations and interactions are guided by the National Association of Education for Young Children (NAEYC) Code of Ethical Conduct. At Pillar we realize that the first five years are formative and crucial in your child's development. That's why we are committed to providing the environment, resources, structure, and support young children need to grow. We work with parents to help children feel secure and welcome at Pillar. Our goal is to provide positive social experiences for children and to provide quality supervision while parents work in a separate area at Pillar.

Admission: Family submits enrollment paperwork and pays a one-time \$75 registration fee along with the monthly membership fee for the desired package.
